ACTION PROPOSED: That the City Council approve the final reading of this ordinance.

BACKGROUND:

The Telecommunications Commission has proposed the use of City of Laredo property to promote the orderly growth and placement of cellular tower sites in our municipality. City staff has diligently attempted to regulate the proliferation of towers in our community by promoting the use of water tanks and other structures.

The City currently has seven leases with United States Cellular, seven with Southwestern Bell/Cingular Wireless, four with Texas Telecommunications, four with American Tower, one with Towers of Texas, four with Nextel Partners, one with Voicestream, and three with Verizon Wireless.

The Telecommunications Commission at its May 20, 2003 meeting approved a motion to recommend approval by City Council.

FINANCIAL: The city will receive an annual rent of \$8,652.00 with a 4% increase each succeeding year. Rent will be credited to General Fund-Telecommunications Revenue line item 101-0000-361-2006.

RECOMMENDATION:
The Telecommunications Commission recommends approval.

STAFF:
Staff concurs with the recommendation of the commission.
